

HELP US BECOME THE WESTCHESTER WE WANT TO BE

Dear Community Leader,

The Westchester Women's Agenda, a nonpartisan feminist coalition, plays a significant role in Westchester County by advocating for and influencing legislative policy affecting women and children. We believe that by working together we create greater visibility and generate more resources to benefit the people we serve.

This was a busy year for the WWA. Whether it was meeting with legislators, holding educational forums, or engaging local candidates on the status of women in Westchester, members continued to play a significant role in the county by advocating for and influencing legislative and social policy. We're grateful we have so many amazing non-profit organizations and individuals working together to promote our mission.

This year your membership will be more important than ever! You can print out this form or go online: <http://wwagenda.org/become-a-member>. **Thank you!**
