

HELP US BECOME THE WESTCHESTER WE WANT TO BE

The Westchester Women's Agenda, a nonpartisan, antiracist, feminist organization of individuals and nonprofit groups, advocates for and influences legislative policy affecting women and children. By working together we create greater visibility and generate more resources to benefit the people we serve.

This past year we met with local, state, and federal legislators, advocated for the county budget needs of our organizational members, and responded to attacks on local immigrants' rights with rallies and support for laws strengthening those rights. We continued to examine issues through an antiracist lens and educating ourselves on methods applicable to our workplaces. And we worked with other groups to advance the mission.

This year your membership will be as important as ever! Print the form below and submit it with your check OR use PayPal at <http://wwagenda.org/become-a-member>.

Thank you!
